KEEP THE MUSIC PLAYING

Summer concerts 2010

It is hard to believe our summer is almost over.

This year we added some exciting changes to our Summer Concert Series schedule and format.

We started a week later, June 13th. We introduced a Thursday evening concert from 6pm to 8pm.

Finally we moved the barbeque with the Long Beach Firefighters from our first concert to our last concert August 29th.

We had seven bands this year, two newcomers, Delta Neve and The Wilsons along with five returning bands, Big Box of Men, The Emperors, RamFunkshus, Squeeze Box and The Elm Street Band.

From all the comments I have heard, everyone thoroughly enjoyed the music.

We had a wonderful summer, even though it was not our warmest. I truly appreciate all the comments and support from everyone - That is what makes this job fun.

I know you have heard me say this in the past newsletters and at the band concerts, but if it was not for all of your donations these concerts would not be possible.

Thank you all very much.
