### **AUTO BURGLARY PREVENTION TIPS:**

- Secure your vehicle by locking the doors and closing the windows and sunroof
- Use anti-theft devices - car alarms or a steering wheel club
- Remove all valuable items from the vehicle - cell phone chargers, computer equipment, electronics, purses, gym bags and money/change
- If you have a garage, use it and keep it closed and locked
- Park in well-lit areas

### **ROBBERY PREVENTION TIPS:**

- If a criminal attempts to rob you of your property- remember that material possessions can be replaced, but your life cannot
- Avoid displaying large amounts of cash or jewelry; keep jewelry you are wearing hidden out of view as much as possible
- Be aware of your surroundings and people around you
- Do not use your cellular phone while walking; it distracts you from being aware of what or who is around you
- Avoid poorly lit areas. Do not walk alone or on dark streets

### **RESIDENTIAL BURGLARY PREVENTION TIPS:**

- Lock the doors and windows of your home even when leaving for just a minute
- Do not leave notes indicating you are not home or when you will return
- Do not post your status indicating you are away from home on social media websites
- Have a list of serial numbers for ALL your electronic devices and store the list separately in a safe place
- Consider installing an alarm system, security cameras, motion sensor lighting, or even getting a dog
- Familiarize yourself with the people and cars in your neighborhood, and if someone seems suspicious, CALL THE POLICE
- Never enter your house if you see evidence of a break-in, CALL THE POLICE
