

## ***Greetings fellow Peninsula residents!***

Our 2021 Annual Membership Drive is happening now. Some folks may not know that we have a highly active neighborhood organization that serves the interests of **homeowners and renters alike**. This organization is the PNA.

The PNA wants to share an informative message from our out-going President, Braden Phillips, who clearly defines the role PNA serves for the Peninsula community:

***“We are incredibly fortunate to live in this little slice of paradise we call The Peninsula. I thank each of you for being good neighbors and for giving me the opportunity to have served as PNA President. Special thanks, congratulations, and best wishes to Dave Huff for being willing to take the reins as your new President. He is uniquely qualified and will be a great leader.***

***In 2019, thanks to Stevie Anderson, we enjoyed one of the best Summer Concert seasons I can remember. Those concerts are special and set our neighborhood apart. They help underscore the sense of community that makes the Peninsula unique. Unfortunately, COVID eliminated our concerts this past year. COVID also pre-empted Santa’s annual visit this year, which my wife Susan ably coordinates every year. Here is hoping we can return to in-person gatherings in 2021.***

***During the past two years, PNA addressed several what I call “Issues of our Time.” They included: Traffic Calming/Road Diet; Short-Term Rentals (STRs); Auxiliary Dwelling Units (ADUs); Beach Replenishment Projects; Beach Cleanliness efforts; Beach Berm-Building; Bay Beach Sewer Caisson degradation; Beach trash can use; Storm Drain grates; Chrisman’s Landing Plaza paver repairs; Parking; Tree Trimming vs. Nesting Season; The Median; Graffiti; Alley Security; The Homeless; Beach Holiday (Memorial Day, 4<sup>th</sup> of July, and Labor Day) Enforcement Efforts; 72<sup>nd</sup> Place Park security lighting; Porch Package Theft; etc. The Board wrestled with each of these issues and advocated for solutions we felt reflected the***

*consensus best approach. You may not have always agreed with our position (and many of you told me so), but we made a good-faith effort to address the issues as they arose.”*

**And from our incoming President and all-around good guy Dave Huff:**

***It's time once again for our Annual Membership Drive. While we are still restricted from hosting gatherings, like our regular Membership Drive Party, your participation as a member of the PNA is as important as ever. Even with the obstacles presented due to the pandemic, your Board of Directors has continued to work to improve the quality of life for Peninsula residents throughout the past year. Your membership empowers the PNA to better advocate for our community. To our long-time members, we look forward to your continued participation and input. To those of you new to The Peninsula (and the PNA), welcome aboard! The PNA is not a homeowner's association, we are here for the benefit of all Peninsula residents. Thanks to all, we are looking forward to a great year!***

***Remember: The larger our membership, The stronger our voice***
